Dear Wholesaler/Retailer:

In consultation with the U.S. Food and Drug Administration (FDA), McNeil Consumer Healthcare, Division of McNEIL-PPC, Inc. is voluntarily recalling certain OTC Infants' and Children's Products.

McNeil Consumer Healthcare is initiating this voluntary recall because some of these products may not meet required quality standards. This recall is not being undertaken on the basis of adverse medical events. However, as a precautionary measure, parents and caregivers should not administer these products to their children. Some of the products included in the recall may contain a higher concentration of active ingredient than is specified; others may contain inactive ingredients that may not meet internal testing requirements; and others may contain tiny particles. While the potential for serious medical events is remote, the company advises consumers who have purchased these recalled products to discontinue use.

This recall is being conducted with the knowledge of the Food and Drug Administration.

Immediate Action Requested:

Identify all retail and warehouse inventory of below listed products and remove from both your retail and warehouse shelves.
