## Take advantage of McLane's FRESH on the GO™ program and generate more profits.

Tap into the increasing consumer demand for fresh products, with fixtures that clearly convey a commitment to a credible food offering.

### Our FRESH on the GO program offers:

- **Flexibility** — Choose from an extensive menu of fresh, ready-to-eat products sure to offer your customers what they crave.
- **Superior equipment** — Create a destination for fresh, with state-of-the-art branded coolers.
- **Multiple models to choose from** — Select from a range of equipment options to best fit your individual store layouts.

To find out more about the FRESH on the GO program, contact your McLane representative or visit [www.mclaneco.com/goto/gofresh](http://www.mclaneco.com/goto/gofresh) today.
