

July 11, 2025

Dear Valued Customer,

At Danone, the well-being of our consumers is of the utmost importance. As part of this commitment, we would like to inform you that, out of an abundance of caution, Danone US has issued a voluntary recall on July 11, 2025 that impacts our ~~YoCrunch® brand yogurts~~.

These products do not meet our standards due to potential presence of plastic pieces in the dome that contains the toppings. The issue is isolated to the toppings and does not impact the separately packaged yogurt. We have chosen to voluntarily recall all YoCrunch® products and flavors out of an abundance of caution while we address this matter.

The FDA has been informed of this voluntary recall.

Our records show that you have received YoCrunch® product. Please stop selling these products immediately and isolate affected inventory in a secure area. Remove any affected product from the shelf and destroy it. Once destroyed, please complete and return the Certificate of Destruction along with the quantity of the impacted inventory. Danone US will work with you to credit those cases accordingly.

In addition, while we address this issue, we will be suspending shipment of this product. We will update you as to when we foresee resuming shipment. We apologize for any inconvenience this causes.

If you have any additional questions or concerns, don't hesitate to get in touch with your Sales Partner. You may also direct any consumer inquiries to our YoCrunch® Consumer Care Line at 1-877-344-4886.

Below, I have included additional details for reference.

Thank you for your partnership and cooperation as we work to address this incredibly important issue.

Sincerely,
